Subject: Class II permissive change Request  
FCC ID: XM5-SMG2SMT

Granted on: 10/13/2014

To whom may concern:

Pursuant to CRF Section 2.1043, Connect One Ltd. requests a Class II permissive change to update the filing.

No changes have been made to the product. The original filing was mistakenly marked No for the RF shielding requirement. Please refer to the attached description of the RF shield and grounding scheme. The module is exactly same to the original, just change the limited single module to single module.

Sincerely,
